## WORK READY PROGRAM FOR DEAF AND HARD OF HEARING PEOPLE

### WORK READY PIPELINE

#### HMSMEM 10-20 week work ready program

Each graduate has successfully completed the work ready program at Cultivating Community's Rooftop Farm at Burwood Brickworks. They focus on developing employability soft skills including clear communication, teamwork, initiative and independence.

#### Employment at Cultivating Community

Successful graduates have the potential opportunity to apply for internal positions within the Cultivating Community's horticulture social enterprise Hortus, where they put into practice key work ready skills while also getting paid! Here they refine skills and develop a new level of motivation and responsibility as award rate casuals.

#### Ongoing employment

Each participant who has successfully completed the HMSMEM program and spent time as an employee of Cultivating Community, are ready to follow their passions and interests and enter the open workforce.
